I hereby confirm that I have taken delivery of the equipment stated.

\_\_\_\_\_  
Student's name, printed

\_\_\_\_\_  
Student's signature

\_\_\_\_\_  
Date

On return of the equipment to the Secondary Education Association it will be inspected to ensure it is in usable condition, as well as being complete, with any original packaging and power cord/charger. If the equipment is not complete, or there are faults indicated, this will form the basis of a compensation claim directed at the student. The guardian's common liability remains under the contract terms even after the student has attained the age of majority (18).
